LIBRARY

The College has a newly constructed and redesigned library- an imposing double storey with the spacious modern infrastructure. The library provides an Open Access System. An ideal place for the users to expand and widen their knowledge, the library provides a friendly and comfortable environment for students especially to the new comers to make them aware of the services provided, and the rules and regulations for using it.

College Library is well stocked with approx. 23000+ books, 455+ CDs on different subjects, 63 Magazines & Journals as well as 19 newspaper are also subscribed to by the library on an annual basis. There is a separate section titled "Book Bank" consisting of approx. 1400 books on different subjects which are lent out for the full session to the needy as well as the meritorious students.

Our College Library is automated with LibSys Software. We are providing OPAC (Online Public Access Catalogue) facility, through which users can search their required documents without any intermediate's help. The most striking feature of the library is the addition of a new section Learning Resource Centre, on the first floor, where students have added facilities for their research oriented activities. Ten computers have been installed in this section with internet facility. We have subscribed e-journals under the scheme of N-List programme of INFLIBNET, UGC. There are separate reading rooms for students to read their personal documents/books.

We are the members of Chandigarh Librarian's Consortium and Punjab University Book Club which gives us the facility to keep ourselves abreast of the latest publications of the universities.
