### **Suggestions/Feedback**

1. More sources for Grants for organising Expert Lectures / Workshops / Seminars could be obtained in order to provide an enriching academic experience to learners.
2. Some Departments must organise above mentioned activities as their efforts are not visible in the scores obtained.
3. In the area of research practices, number of publications and presentations could be enhanced as well as research activities for students, especially Post Graduate students.
4. More faculty members should be encouraged to act as resource persons in research activities.
