

Facilities for Differently abled

The college is committed to providing an inclusive, accessible, and differently abled-friendly campus environment. Ramp facilities have been provided at key locations across the campus, including the Mata Ganga Auditorium, Library, Hostels, and other important areas, ensuring barrier-free access and ease of movement for students with disabilities. To support visually impaired students, the Library offers NVDA (Non-Visual Desktop Access) screen reader software, enabling effective access to digital information and learning resources. Additionally, accessible washroom have been provided in the hostel to ensure the safety, comfort, and convenience of differently abled residents. These facilities reflect the institution's commitment to equal opportunities and an inclusive learning and living environment for all students.
