Feedback from the faculty members

The highly qualified teaching faculty of the institution make all-inclusive endeavours for the holistic growth of the students. The focus of the teachers' feedback has been regarding the syllabus content/ curriculum, resources, environment and infrastructural facilities available in the institution for the same.

Syllabus content/ Curriculum

It was observed from the responses of the teachers that a considerable number of them were satisfied with the content and scope of the curriculum including the reference material available. However, they also expressed the need for regular revision and up gradation of the syllabus to make it more relevant with the frequently changing demands of the knowledge industry and society at large. They suggested to impart more of practical knowledge including field trips to support theoretical knowledge which would rather evaluate the students on the application of the content rather than just writing the theory after cramming. In short, they suggested more of correlation between theory and practical knowledge.

Resources for Teaching/Learning

The analysis of the teachers' feedback highlighted the adequate availability of resources for the attainment of best learning outcomes for the students. Majority of them mentioned and appreciated the sufficient library resources for the same including an ample number of books, journals, e-learning resources, ICT etc.

Infrastructure facilities

The teachers expressed futuristic perceptions for better achievements of the students with the introduction of ICT enabled teaching/learning facilities in the institution. ICT resources have enhanced the scope of knowledge delivery system for the students. However, they also suggested the scope of better Wi-Fi facility in the institution. Though, they are satisfied with the infrastructural facilities available for them, they suggest some improvements in infrastructure for the students.

Environment

Healthy and progressive work environment is the need of an hour. The college faculty is found to be highly satisfied with the overall environment of the college in which they are working and found it to be stress free, conducive and Co-operative. They are highly satisfied with the opportunities that they get on regular basis for participations, career advancements and their overall professional growth.

Research Facilities

A significant number of teachers found availability of environment conducive for research in the institution which has also been enhanced with the set up of research laboratory therein. However they also mentioned the scope of enrichment in the same for better research outputs for the students as well as the teachers.

The Syllabus/Course content is relevant and need based

60 responses

The Syllabus/Course content is followed by corresponding reference materials.

60 responses

The Syllabus/Course content has good balance between theory and application

60 responses

The Syllabus/Course content has made me interested in the subject area.

60 responses

The Syllabus/Course content of the subject augmented my knowledge and perspective in the subject area.

60 responses

The books prescribed/listed as reference materials are relevant, updated and appropriate.

4 responses

All the employers are of the view that their employee is capable of applying theoretical knowledge in their workplace.

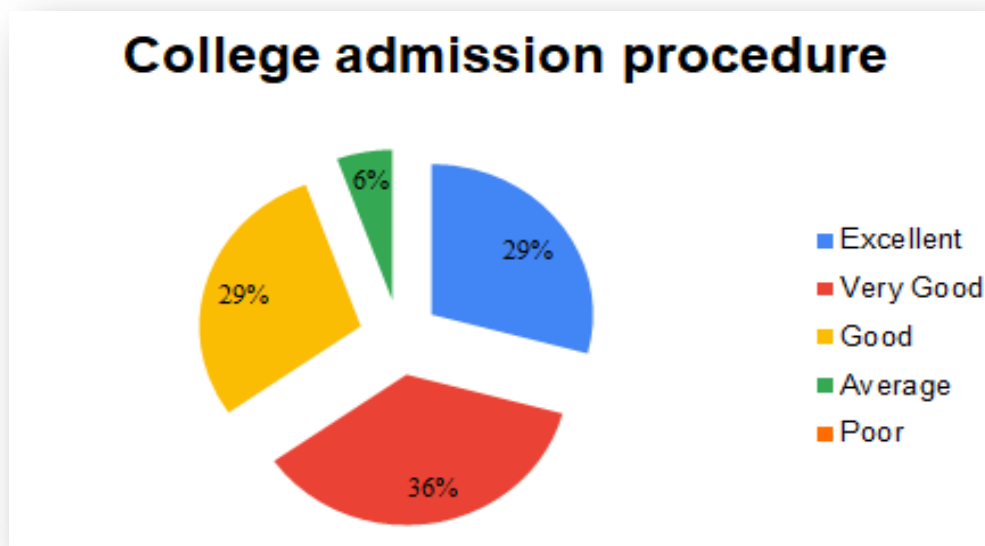

GURU GOBIND SINGH COLLEGE FOR WOMEN

Evaluation of Feedback from Alumni (2020-21)

The Institution always strives to strengthen the Alumni Association and the overall College surroundings/ environment by getting the feedback from Alumni's, to know how the Institution, its faculty and the infrastructure and most importantly the College environment had an impact on the overall well-being and happiness. If there are any lacunae, we as team members of Alumni try to improve the Institution and make it a better and memorable place for our Alumni.

On the basis of the questionnaire filled by outgoing students, following is the report of feedback and action taken by the college.

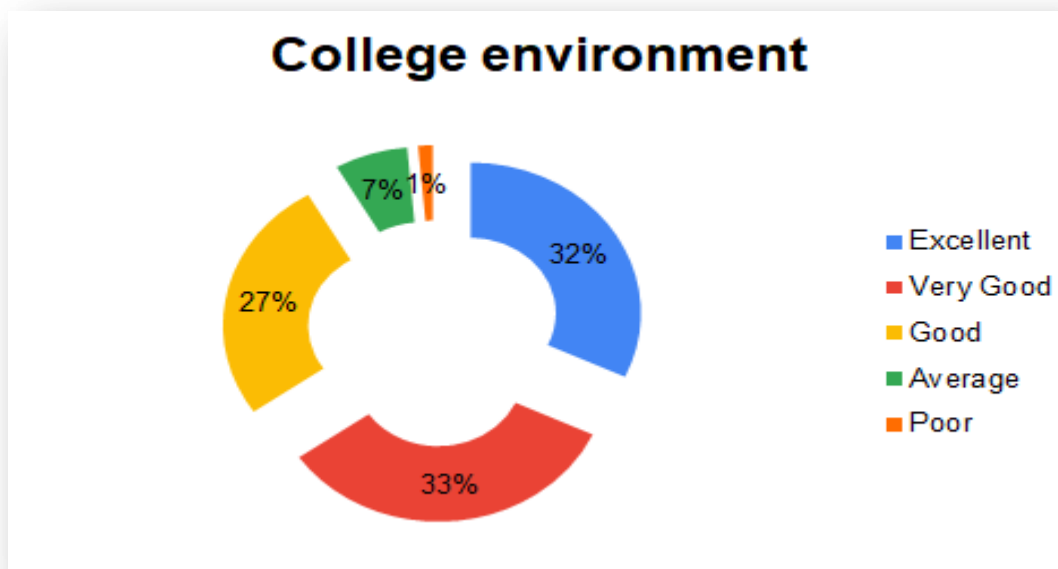

COLLEGE ADMISSION PROCEDURE

Overall the response has been quite satisfactory as our alumni have been quite happy and content with College Admission Procedure as it is quite evident from the pie-chart that 29% of the responses are in favor of Excellent and 36% for Very Good. Still efforts have been directed towards further simplifying the admission process by adopting the following measures:-

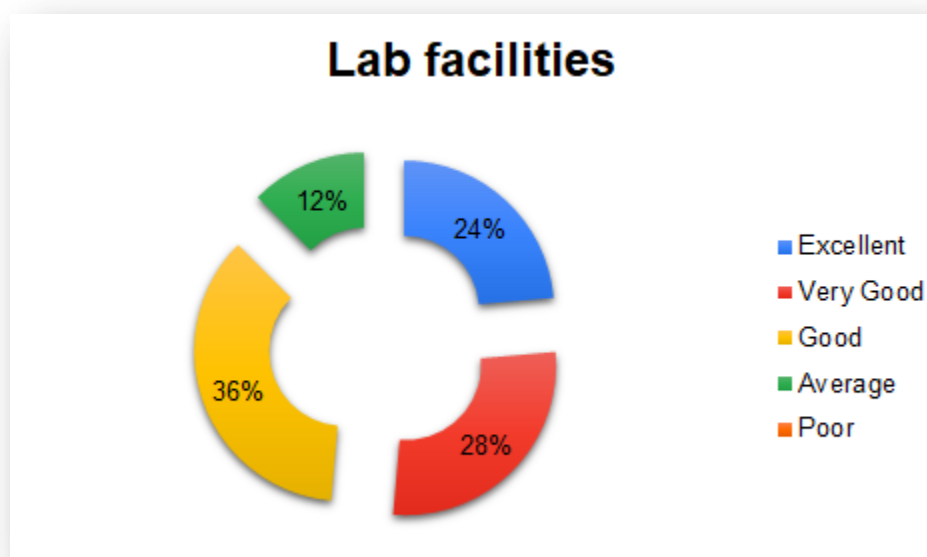

1. Prospectus is also made available through online mode for filling up of admission form through the link given on the College website.
2. Online form filling assistance and facility has been provided within the campus for the students who are not computer proficient.
3. Counseling Desk for information is always placed for any kind of assistance, help or further enquiries of new students and their parents.
4. Helpline numbers are also provided on the College website, admission brochure as well as in the Prospectus.

COLLEGE ENVIRONMENT

It is quite evident from the pie-chart that the overall responseOverall the response of the alumni about the college environment has been more than satisfactory 32% (Excellent) and 33% (Very Good). It throws a positive light on the efforts and hard workput in by the administration, teaching, non- teaching and supportstaff.

LAB FACILITIES

The response for lab facilities in the college, according to the alumni is very positive. It depicts that alumnae are satisfied with the lab facilities provided by the College.

FACULTY

Faculty is considered an important organ for every educational Institution and the impact that they have on students psyche is a universal established fact. Likewise, faculty at Guru Gobind Singh College for Women endeavors to provide cooperation to the students in every aspect, be it

academic or day to day counseling. The alumnae also share this perspective and they have expressed their feelings and approved these efforts of faculty by responding: 42% (Excellent) and 31 % (Very Good) in the category of level of involvement of faculty with their students and also the level of co-operation of faculty as alumni felt this gesture and were of the opinion that the co-operation was 38% (Excellent) and 33% (Very Good) respectively.

Teaching and Learning Process

Another important aspect of the holistic development of students is the teaching pedagogy. A teacher always finds a new and innovative way to get to the level of their students so that the weak, slow learner students do not feel left behind or ignored. Moreover, to attract the interest of their students a teacher always looks out for interesting and innovative ways of teaching. Hence, the response of the alumni towards faculty, cooperation by faculty, and teaching learning process depicts excellent results as students feel 53% (Excellent) and 21% (Very Good) respectively with the teaching and learning process imparted at the Institution. The faculty under the patronage of the administrator consistently strives for enrichment of Academic skills and pedagogy.

Other Staff

No work can be expected to be completed without the help and co-operation of office staff and other non-teaching staff of the Institution. As students have to receive their documents or any other assistance they need the help of office and other administrative staff. Alumni's overall response is positive and it reflects that the staff of the Institution is very cooperative.

Quality and Support Material

To make classroom teaching interactive and interesting, faculty of the Institution adopts numerous ways to provide study and support material through google classrooms, power point presentations (PPT's) and by using various social media platforms too. Students too feel the same and engage themselves with the usage of these pedagogies. Hence, it is quite evident from the pie-chart that as students have applauded the efforts by giving 25% (Excellent) and 39 % (Very Good) respectively.

Quality & support material

Career Counseling

Career furtherance is an important aspect of any student's ambition to embark on their future dream jobs or careers. Though, Institution had not organized any on-campus placement in session 2019-20 but efforts are being directed towards career counseling. Thus, Placement cell guides the students about career choices as well as various job fairs organized in the Tri-city. Additionally, faculties are appointed as mentors to students so that they provide career counseling during Mentoring Sessions. The faculty is in constant touch with the pass out batches and makes them aware of any kind of job opportunities from time to time.

Career counseling

Library

Library

Library is considered as the ocean of knowledge, a marina trench where an individual can dive in to gather the gems of world of wisdom. Thus, the Library of the Institution also plays a pertinent role in providing such facilities to students. A Book Bank is also created wherein the needy students can receive the books for themselves. Hence, 46% (Excellent) and 17% (Very Good)

respectively, of students feels the same that Library provides every kind of assistance and supports them.

Canteen facilities

Canteen is considered as the heart of any educational establishment. Our Institution also strives to keep the place clean and provide best of facilities. Canteen Committee keeps a check on the upkeep. In order to improve the canteen facility, the canteen contractor has been changed.

Hostel Facilities

Hostel is a different world for students who cherish their memories living together by sharing and caring for each other and is the most important aspect of life for hostellers. Thus, the Institution tries to provide every such physical facility (common room, TV, Washing facilities, coolers, dining and recreational facilities). Still, an improvement is required in this aspect as only 15% and 18% gave excellent and very good ratings. Hostel Committee of the Institution has worked in this direction to make improvements for the stay at hostel by getting the firefighting system installed and purchasing of furniture and fixtures.

Hostel Facilities

Alumni Association

Alumni association

Alumnae are the kind of promoter for any educational establishment as their experience and word of mouth spread like fragrance and attract new and prospective students to any institution. They stay connected to the nest from where they flew after completing their fair share of life and

education and yet come back to pay their gratitude whenever they are called upon. Hence, to strengthen this connection, the Institution regularly conducts Alumni Meet and involves them in various college functions and activities to further strengthen the bond with their Alma Mater.

Internet and Wi-Fi

Technology is the need of the hour and it has become necessity not just being a privilege anymore. There is lot of scope of improvement in the Institution as far as this category and hence, the college has installed more Wi-Fi routers, has purchased latest and updated desktop systems in this regard.

Sports and Cultural Activities

Sports and Cultural activities add vigor to the college life. The college organizes many such events and functions to keeping in mind the holistic development and happiness index of students. Hence, 22% and 35% (excellent and very good respectively) of the students were satisfied in this regard.

NSS/NCC/Extra Curricular Activities

NSS/NCC/Extra Curricular activities are the integral part for the student's holistic development. NSS and NCC activities help students in becoming better citizens, helping them to imbibe human values, having the feeling of nationalism and also having connectedness towards community welfare. NCC and NSS wing of the college successfully achieve these objectives as 30% and 22% (excellent and very good respectively) of the students were satisfied in this regard.

S/Lt.(Dr.) Amneet Kaur received Appreciation Letter from NCC-Navy Unit by recognizing her extraordinary efforts and diligent dedication towards her meritorious work undertaken by her.

Seminar /Workshop and Guest Lectures

To make students industry ready and take on the world after the completion of their education as well as to make them aware of latest and recent trends, to upskill them, Institution regularly organizes seminars, workshops and guest lectures to provide them hands on knowledge in this regard. Hence, 36% and 27% (excellent and very good respectively) of the students were satisfied in this regard

Seminar/Workshops/Guest Lectures

Grievance Handling

The college has a Grievance Redressal Cell that continuously strives towards resolving the issues of students. Following are the actions taken in that direction:

1. Canteen contractor was replaced: to improve the quality of food and services of canteen, contractor was changed and new contractor is hired.
2. Permanent sitting area: new tables, benches and chairs have been installed near canteen area and other areas of college.
3. Sports Complex: since college is producing many sports persons and athletes, there was a need to support these athletes by providing proper practice facilities, Sports Complex is constructed and now fully functional.
4. Washrooms are hygienically maintained and any grievance is redressed on continuous basis

Grievance Handling by College

College Infrastructure

College Infrastructure

A continuous effort is directed towards improving the infrastructure of the college. Following are the action taken:

A) College:

1. Floor area ratio is increased for the College, the payment of which will be spread over 05 years. First installment was disbursed in the year 2019-20.
2. Firefightingsystem has been installed in the college campus
3. Sports multifunctional sports ground is fully functional.
4. New sports equipment's purchased.

B) Hostel:

1. Furniture and fixtures are purchased

C) RUSA Grant:

1. Computer equipment are purchased
2. Equipment and items for sports and for other purposes are also purchased.
