About the Electoral Literacy Club

The Electoral Literacy Club (ELC) of Guru Gobind Singh College for Women, Sector-26, Chandigarh, is an initiative aimed at promoting electoral awareness and strengthening democratic values among students. The club seeks to educate young citizens about the importance of voting, voter registration, electoral processes and their constitutional rights and responsibilities. Through interactive activities, quizzes, competitions, awareness campaigns and voter registration drives, the ELC encourages students to become informed, responsible and active participants in the democratic process. It also aims to nurture a sense of civic responsibility and motivate students to contribute towards building a stronger and more inclusive democracy.

Activities Conducted during the Session 2026–27

During the academic session 2026–27, the Electoral Literacy Club of Guru Gobind Singh College for Women organised a series of educational and interactive activities to promote electoral awareness, democratic participation and responsible citizenship among students. The activities included a Quiz on Indian Freedom Struggle, organised on 12th and 14th August 2026 (Preliminary and Main Rounds), to familiarise students with India's freedom movement and the contributions of freedom fighters. A Voter Registration Camp was organised on 15th September 2026 to facilitate voter registration and encourage eligible students to enrol themselves in the electoral roll. On 16th October 2026, a fun-filled voter awareness activity titled "Vote For Sure For A Stronger Democracy" was conducted to highlight the importance of voting and inspire young voters to participate actively in the democratic process. Furthermore, on 4th November 2026, the club organised Essay Writing and Quiz Competitions on Electoral Awareness at the Institutional Level, providing students with an opportunity to enhance their knowledge of electoral rolls, EVMs and VVPAT, the polling and counting processes, and the significance of democratic participation. These initiatives reflected the club's commitment to developing electoral literacy, promoting informed voting and fostering democratic values among the student community.
